BOOKING ADVISABLE!

Since 1970, Raymond "Franco" DiFrancesco has been a familiar face at Aberavon Beach, establishing himself as the most famous fryer in the area.

Ray has always felt that Aberavon's wonderful beach has great potential and it has been Ray's dream to build a cafe where people can meet up, sit down and enjoy the wonderful Aberavon Beach whatever the weather.

Cafe Remos is the realisation of that dream.

In 2005, the construction of Cafe Remos was completed according to Ray's own design. Since its opening in July of the same year, Cafe Remos has established itself as a local landmark and a wonderful place to visit whether with family, with friends, or with a newspaper or magazine!

Ray and all the staff at Cafe Remos are proud to welcome all to sample our wonderful menu of home-cooked food, recharge on our fine Italian coffee and indulge our homemade icecream or sweets in our lovely Cafe.

Thank you for visiting us - we hope you enjoy your visit!
